SOFT DRINKS

3L

MORE FOR LESS

A BRAND OF VALUE AND FLAVOUR

Some Key Advantages

- First in the market with a 3L Carbonated Soft Drink in multiple flavours
- Available in South Africa's 6 most loved flavours!
- Price point (We offer this fractionally more expensive than a 2L CSD making our 3L offering a 'no brainer')
- High volume product focused mainly on the wholesale - independent wholesale and independent retail market.
- We manufacture from start to finish in our own state of the art production facility
- Only company in the country capable of blowing 3L bottle with our own machinery and molds.
- A very appealing and refreshing bottle design embossed with our own branding in bright colours to entice consumers to 'buy with their eyes'
